HOTEL BEMELMANS POST * * * * COLLALBO RENON

Traditional and exclusive hotel in Renon, with every detail taken care of personally, the accommodation near Bozen offers modern comfort with the calm atmosphere that was characteristic of the famous hotels at the turn of the century. Sigmund Freud, the founder of psychoanalysis, visited the hotel with his family for many years, and it was here that he wrote his work "Totem and Taboo" in summer 1911. www.bemelmans.com
